Re: Intimation of Fatal Accident at Jambusar unit

Dear Sir/Madam,

We have to inform a factory accident that happened today in one section of a Multi-Product Plants (MPP) at our Jambusar fine chemicals manufacturing site in Gujarat. This accident unfortunately resulted in two fatalities and nine others are injured.

The accident did not result in any fire or hazardous emissions but was limited to one MPP and has not affected operations of the other MPPs at the site

In compliance with the company's protocols, investigation has been initiated to determine the root cause (Hazop) of the accident. While the impact of the incident is being ascertained, the damaged equipment are fully covered by way of insurance.

You are requested to take same on record.

Yours truly,

For PI INDUSTRIES LTD
